Publish your work in our *Off Campus* publication!

Becoming part of the GUSEGG network is a smart career move. You will have an academic network in which further exchange will be facilitated, and if you want to apply for Master or PhD programs all over the world, it will be easier for you to get in touch with professors to write letters of recommendation from institutions in Europe and North America.

Right after the Summer School, you already have the opportunity to publish your article in a reputable book!
