

GREENTEAM

- EDUCATION FOR CLIMATE AND ECOLOGICAL EMERGENCY

is an Erasmus + funded project under the Key Action 2: Cooperation partnerships in vocational education and training.

Project timeline: 1. 11. 2021 – 31. 10. 2023

The GreenTeam project aims at building knowledge, skills and attitudes in the field of climate change and sustainable development. GreenTeam envisages popularization of modern, innovative e-learning methodology and tools to raise participants' competences related to ecology and providing educators and teachers with appropriate tools for working with youth.
